

A Diverse "Kiez"

Solidarity and anti-discrimination in practice. Network meeting on 29 March 2023

The RuT lesbian housing project and queer cultural centre will soon be built on Berolinastrasse in Berlin-Mitte: an inclusive place for independent living and housing, a place for solidarity and neighbourly help, a competence centre for queer ageing and care.

In this context, the Equal Opportunities Officer of the Mitte District Office (Bezirksamt Mitte) of Berlin, the Alexanderplatz neighbourhood coordination (Stadtteilkoordination) and the RuT lesbian housing project invite the actors in the neighbourhood to a first get-to-know-you meeting and exchange.

- We want to share experiences and visions as well as initiate practical networking projects: What issues and questions move us?
- How can we support each other in our intersectional work for equality and against discrimination?
- Where do we see potential for practical cooperation?
- How can we plan and realise joint projects?

We would be very happy about your contribution!
